Monday 30th  
March 2020

## A hello from Broomfield!

It's all a bit strange trying to adjust to our new way of life at the moment and it can feel a little bit scary. At Broomfield we are brilliant at working together and all of us, wherever we are, have got to work together to beat this virus. Follow the guidelines and keep washing your hands.

I hope that you have managed to complete some of your learning tasks for last week and will do the same this week.

Next week we will be still using the school website to share your work with you. I have added some new links for you all on your class pages. Please have a look on the home learning section. Please send a message to your teachers using Seesaw this week especially if you haven't tried it yet. Your teachers have really enjoyed listening to you, watching you or looking at the work you have done so far on Seesaw or Tapestry.

MAYBE THIS DAY IS NOT  
ONE OF YOUR FAVORITES BUT  
NEVER FORGET THAT EVERY  
DAY YOU WAKE UP IS AN  
AMAZING GIFT AND IT'S UP TO  
YOU TO MAKE IT COUNT

Over Easter, we would like you to enjoy time with your families as normal. There is no expectation for any home learning over the Easter holidays. There are some Easter links on your class page if you want something to do however.

If you like listening to stories then try Audible for FREE.

<https://stories.audible.com/start-listen>

Other things you can try are:

NASA kids Club: <https://www.nasa.gov/kidsclub/index.html>

Nose inside Buckingham Palace! <https://www.royal.uk/virtual-tours-buckingham-palace>

Visit Anne franks house: <https://www.annefrank.org/en/anne-frank/secret-annex/>

Complete a science experiment: <https://redtri.com/classic-science-experiments/>

From the messages we have had at school it sounds like you are all doing a great job—keep it up.

Have a great Easter break.

Miss Allison

You missed school  
yesterday.

To tell you the  
truth, I didn't  
really miss it.

KEEP  
**Smiling**  
YOU ARE  
**Amazing**

Have a great week everybody and keep washing those hands ...  
until next time!

Goodbye from Miss Allison & her cheeky kitten Juniper!

Guess my cartoon  
character?  
I can never find my  
glasses... Jinkies!

A hello from Broomfield!

## Message for families...

With social distancing being needed please do **NOT** drop any work/books off as previously requested. This is an unnecessary journey at this point.

Below is a link to an online book explaining COVID-19 to younger children—it might be helpful.

<https://www.flipsnack.com/CSKidsBooks/what-s-going-on.html>

Thank you for the hard work you have put in helping your children with their work so far we really do appreciate it. I have spoken with many of you and it is hard working from/being at home and trying to help your children—especially with fractions!!! Let's hope that unit is finished with for now.

As part of my role, I have to keep in contact with all of our families and have done that via Studybugs or by ringing you. I will be in contact with you fortnightly but might ring some of you sooner just so make sure that you are all ok. Please keep an eye out on your emails.

After Easter Y1-Y6 will all be using Seesaw. Many of your children have already tried it. If they haven't logged in yet please get them to try before Friday. Any logins that have been lost etc... please get in touch with us via the office email or Studybugs and we can send a copy to you electronically.

We are hoping to send invites to parents to login to Seesaw. This means that you will get messages from the staff too so everybody is informed about what their child should be doing at home.

Families with children eligible for Free School Meals (not Universal) you should have had an email about the new arrangements—please check your in box and again any problems please contact the office via email.

The school continues to stay open for our Key Worker families etc... and our staff are working hard to ensure that the best learning possible is taking place for your children. Thank you all for doing your best with the children at home. There will be no work set over Easter so please try and enjoy the time together.

Should you need to get in touch with us, we are picking up emails daily, checking Studybugs daily and our emergency phone numbers are on the school website.

Take care everybody...

Miss Allison

## COVID-19: Five steps to look after yourself and others

Take care of yourself and stay healthy

Call, chat, check

Be kind. Think of others.
