PE and Sports Premium Funding  
2021-2022

**Broomfield Primary School  
Primary School PE and Sport Mission Statement**

We at Broomfield Primary School, wish to provide the best PE and sport provision possible. We aim to deliver a programme of high quality lessons and to provide a pathway to participation that will enable all pupils to build their confidence and achieve their full potential.

**Primary School PE and Sport Funding for 2021-2022**

The government provides additional funding to improve the provision of physical education (PE) and sport in primary schools. This funding is provided jointly by the Departments for Education, Health and Culture, Media and Sport and is allocated directly to primary schools to achieve the Department for Education's vision for Primary PE and Sport Premium that:

**ALL** pupils leaving primary school will be **physically literate** and have the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

This funding is ring-fenced and therefore can only be spent on the provision of PE and sport in schools.

**Purpose of funding**

The funding has been provided to ensure impact against the following objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision that will live on well beyond the Primary PE and Sport Premium funding.

**It is expected that schools will see an improvement against the following 5 key indicators:**

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles.
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

**Eligible schools**

Funding for schools will be calculated by reference to the number of primary-aged pupils in years 1 to 6 (pupils aged 5 to 10), as recorded in the annual schools' census in January 2018.

In 2021-2022 the DfE has doubled the funding, schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil. This is allocated to school in 2 separate payments.

- 7/12 of funding allocation in October 2020
- 5/12 of funding allocation in April 2021

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Broomfield Primary School had 194 eligible pupils based on the numbers on roll in Years 1-6 on the January Census 2019 and is due to receive £16000 of Primary school PE and sport funding for 2020/21.

**How the school assesses pupil attainment in PE and sports:**

The school will use lesson observations, learning walks and pupil voice to assess our PE and Sports provision and the impact of the actions we have taken.

We also assess and record children's progress for PE using 'Primary PE Passport'. This will enable us to monitor children's attainment and progress and identify any children who may additional support or intervention in PE.

These assessments are monitored by the SLT and PE Leader to track the progress of each pupil as they progress through the school and the coverage of PE in each Year Group.
