

SMSC and UNCRC (United Nations Convention on the rights of the child)

UNCRC

We ensure our curriculum offer meets the UNCRC articles below:

Article 14 – Every child has the right to think and believe what they want and practice their religion, as long as they are not stopping other people from enjoying their rights. Governments must respect the rights of parents to give their children information about this right.

Article 15 – Every child has the right to meet with other children and to enjoy groups and organisations, as long as this does not stop other people from enjoying their rights.

Article 28 – Every child has the right to an education.

Article 29 – Education must develop every child's personality, talents and abilities to the full. It must encourage the children's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment,

Article 31 – Every child has the right to relax, play and take part in a wide range of cultural and artistic activities

SMSC

At Broomfield, through regular assemblies, references in RE and other lessons, as well as seizing upon opportunities in other areas of the school children are taught the values of SMSC.

As a school we welcome children from all backgrounds and are proud of how children and their families from other cultures are welcomed by our children and the rest of the school community.

In all teaching the teachers look to inspire the children. Teachers look to develop a love of learning and a working atmosphere where children enjoy learning. Children are given a wide variety of opportunities to take on responsibility around the school: Y6 House Captains, dinner helpers, playground buddies, sports leaders, school council and after school clubs and Takeover Day.

The school has a clear behaviour policy that sets high expectations and promotes a good moral understanding, mutual respect, tolerance and understanding. Each class has the opportunity each year to perform to other year groups and their parents through a year group assembly and Christmas performances and concerts. Friendship, respect and tolerance are taught as part of our Personal, Social, Health Education program. Through a combination of approaches the school is able to ensure that children develop an understanding of the key British Values: Democracy, Rule of Law, Mutual Respect, Personal Liberty and Tolerance of other faiths and cultures.
