FRIDAY FLYER

Friday 4th September 2026

A message from Miss Allison

Dear families

It has been a great week at school and walking around the school there is a real buzz of learning and excitement. Our Year 1 children are really benefitting from the continuous provision approach to support transition from Foundation Stage. Thank you to those parents that could come to a short meeting this week with Mrs Bond to look at how it all works. Lunches are working really well too with the new system of ordering so thank you as it makes things speedier at school.

Next week we look forward to our Year 6 children developing their cycling skills with Bikeability. A reminder that bikes need to be in good working order and the children need a helmet too. This is always a good week as we have a number of our Y6 children then cycle to their secondary school when they leave us.

As mentioned in the newsletter last week, you will have received your first online safety monthly newsletter. These are always current and have the most up to date information on apps, websites and trends so they are worth looking at.

Our after school clubs started this week with the children really enjoying some new activities. Scooter club always goes down well and we provide scooters to those that want to join but don't have one. Archery and footgolf were fun to watch too. You can still book onto these – please contact the office for support with this.

In our Monday assembly this week, we reinforced our school values of: Respect, Resilience, Responsibility, Reflection and Risk-Taking. We also looked at how these tie in with the BEP Promise and our Trust values of Ambitious, Collaborative and Ethical too. It was also a great opportunity to look at the other schools in our Trust and chat about them and where they are as well.

Finally we have said a happy goodbye to Mrs Moreton who has made it to this point before going on Maternity leave! She has been working hard on the school SEN information and handing over to Miss Jex who will look after SEN for this year too. We gave her a great Broomfield send off with lovely cards from the children and gifts from our staff. We look forward to hearing from her as she doesn't know if they are having a boy or a girl so it is all a big surprise.

Have a great weekend!

Miss Allison

Support for families

Each month you will receive an online safety newsletter which has lots of valuable and up to date information on e-safety and the latest trends and concerns.

Our website also has a large amount of signposting and information that families might find useful too. Click below:

Clubs & Wraparound Care

We are really proud of the wide range of clubs and activities we offer during the year.

This half term our clubs are:

Archery – Tuesday

Footgolf – Wednesday

Scooters – Thursday

Clay creators – Thursday

In addition, we continue to offer Rock Steady, piano and guitar lessons.

We also have breakfast club from 7.30am and wraparound until 6pm

Please contact the office if you need any details – emails have already been sent via Arbor.

Reminders
